Planning your Ribbon Cutting...

- **Ribbon cuttings should be planned a minimum of 3 weeks in advance.**
- **Ribbon cuttings are typically held Tuesday - Friday between 9 am - 4 pm.**
Based on our experience, events held during standard business hours tend to have the best turn out. We are not able to facilitate ribbon cuttings on the same day/time as a scheduled chamber event. Please review the Chamber's events calendar when selecting your date. The Chamber cannot guarantee attendance at your event, but will send out invitations in an attempt to get the above mentioned to attend.
- You may want to consider hosting an open house in conjunction with your ribbon cutting ceremony. Invite your customers/clients, neighbors, family, friends and colleagues, promote your event on social media, and to other groups you may be a part of.
- You may also want to consider offering event-only discounts, door prizes and/or other giveaways. Please be sure to include this information on the Ribbon Cutting Information Form to help us better promote your event.

RIBBON CUTTINGS

Things to Consider

Who will cut the ribbon? The owners or top executives most frequently do the honors, but each business is different and may pick whomever they would like.

When will you hold you event? We find that Tuesday - Friday, mid to late afternoons draw the largest crowds. We cannot assist with events scheduled on weekends or holidays.

What do you wish to share when you speak just after the ribbon is cut? You can thank those who helped you along the way, talk about how you came about owning/updating/moving, and share any specials or upcoming events. Please limit your speech to 3-5 minutes.

How you can maximize this event. Consider sending a special invitation to your customers/clients, offering a drawing or raffle to collect business cards you can use to build your database

Refreshments, drinks, door prizes, and decorations are optional and up to you. Keep in mind, however, that ribbon cuttings are typically short and sweet and will last only 15-30 minutes.
